AUDIT

DISCLAIMER

Catecoin Ceo, including but not limited to the overall project, token, website, smart contracts and any apps ("CATECOIN-CEO") as presented in this conceptual paper is not a licensed, unlicensed or exempted financial or payment service of any kind and in any jurisdiction. Any terminology used in this Whitepaper, on the Website or within the app is intended only as a basic reference, without any effective or legal meaning of the same terms in a regulated and/or financial environment. Catecoin Ceo is a community-driven project and does not have owners, shareholders, promoters, marketers, managers, directors, or other figures or entities exerting any form of governance. The Catecoin Ceo smart contracts are open-source, security audited, permanent and non-modifiable in any way. The Catecoin Ceo token is strictly a utility token in all jurisdictions and is not and cannot be considered to be a "security" or otherwise regulated token of any kind. Catecoin Ceo is not in any way e-money and/or fiat money, or an asset backed stable coin, whether global or limited in scope. This Whitepaper taken by itself is not a contract or a contractual agreement of any kind, nor is it an invitation, solicitation or offer to invest in Catecoin Ceo or acquire or use Catecoin Ceo tokens in any way and with any expectation of profit therefrom. Any user of Catecoin Ceo represents and warrants that such user has received appropriate technical, administrative, regulatory and legal advice before and after accessing and/or reading this Whitepaper or the Website, and/or using any portion or element of Catecoin Ceo (including the Catecoin Ceo token). The user hereby acknowledges and accepts that there is an inherent high risk in accessing, acquiring or using any kind of block chain and/or crypto system, token, platform, software or interface, including Catecoin Ceo, and further disavows any claim of any kind against any community member directly or indirectly involved with Catecoin Ceo, for any damage suffered, including total loss. Catecoin Ceo makes a credit card interface available on its website solely for the users' convenience.

This information text has been prepared in order to carry out a preliminary promotion for people who want to own CATECOINCEO tokens and to inform people legally. Many tokens on the market, called the crypto money market, contain high risk due to their nature, and it is not possible for anyone to interfere with decentralized structures from the outside. Please review all risk notifications before purchasing any tokens.

This information text does not contain investment advice in any way and reveals the purpose of creating the digital asset contained in the text. The said token may achieve the relevant purpose, as well as it may not achieve the exact opposite, and it may fail, you should know that you fully assume all the risk related to this issue as soon as you own it by examining the token in detail.

As CATECOINCEO can provide a number of privileges to token holders, as well as being in a decentralized structure, these privileges may be disabled at any time. Before such acquisitions, you must definitely make a decision on your own initiative regarding the future of the project, because many projects and tokens issued related to the project may be successful, and more may fail and cause damage.

CATECOINCEO token and other tokens are not stocks. It is not an investment vehicle. These products, which are produced as technological, electronic products and are available in decentralized structures and electronic environment, should be acquired with the aim of benefiting from their functions and assuming all risks. Just as tokens can be sold to each other by token holders, buyers and sellers determine the value of tokens themselves freely and on the free market. As long as these products are listed on the platforms where the buyer and seller come together through exchanges, trading can be carried out, or the token holder can personally transfer electronic products via wallets in electronic environment. Dec. All these transactions are transactions that may cause losses by creating technical glitches and may require professional support.

The token is installed on the BNB block chain. Technical failures, losses and irreversible transactions may occur on the network or networks where the token is located. Be sure to check your local laws before purchasing CATECOINCEO tokens some countries and regions may have banned or regulated these products. In this case, we inform you that you have to comply with all regulations and obligations personally. Legal rules may affect or hinder the success of the project Even if the regulations have not yet matured, all electronic products may be directly or indirectly affected by future regulations.

CATECOINCEO token can only be obtained for commercial purposes except for its functional use, in this case, you should remember that you may suffer high losses due to problems and technical glitches, such as the high ups and downs of the relevant markets and the inability to find buyers for the product, the purpose of issuing the token is not aimed at making commercial profit.

This document risk notifications for CATECOINCEO token has been prepared in order to remind all users who want to own tokens that no institution or organization is under any responsibility due to the token and that there is a high risk.

Since crypto asset markets and CATECOINCEO token cannot be managed from a specific center and are not subject to legal regulations, these markets contain risks by their nature. For this reason, these vehicles should not be considered as an investment. Token holders are individually responsible for the follow-up of taxation and legal regulations.

Exchanges can de-list all tokens as well as list them on the CATECOINCEO token. An attempt external to its community cannot be requested to be made on behalf of the CATECOINCEO token, which is in a decentralized structure. The community is formed spontaneously by the Decoupling of token holders. However, even the community cannot be qualified as the owner, administrator of the CATECOINCEO token.

We strongly remind you that no person or organization, especially the community, has the title of a party to any dispute, since the CATECOINCEO token is located in a decentralized structure.

ABOUT

Catecoin Ceo (\$CATECOINCEO) was born as a completely producer and community-oriented token of the ecosystem. Catecoin Ceo Token will always be valuable because all projects in the eco- system will be processed through Catecoin Ceo. Remember! TheCatecoin Ecosystem has a lot of project ideas, and the more all these projects are completed, the more interest in CATECOIN CEO will increase.

Also, all Catecoin Ceo Holders will earn more Catecoin Ceo by keeping Catecoin Ceo coins in their wallets, which are automatically sent to your wallet. Watch the amount of Catecoin Ceo in your wallet grow, as Catecoin Ceo holders are automatically charged 3% for every chained transaction that takes place in the Catecoin Ceo ecosystem. In short, the Catecoin Ceo community earns more Catecoin Token money than the fees generated for each transaction. More CATECOIN CEO is actively used, the more rewards are granted!

Catecoin Ceo aims to grow its audience by cooperating with many tokens and platforms.
